Re: CSPN and Access Pharmaceuticals Sign Distribution Agreement

CSPN is happy to announce that we have entered into a Distribution Agreement with Access Pharmaceuticals for the product MuGard. CSPN will now be an integral member of the MuGard hub which will mean a significant amount of referrals for this product will pass to our membership. The terms of the agreement state that CSPN will be able to purchase MuGard at a 3% discount for patients that we service. CSPN will retain a small portion of this discount as a administrative fee.

MuGard is a viscous, mucoadhesive rinse which provides a protective coating to the oral mucosa. MuGard is designed to form a protective hydrogel coating over the oral mucosa while a patient is undergoing chemotherapy and/or radiotherapy cancer treatments to the head and neck.

Anthony Mottola, VP Managed Care and Market Access, Access Pharmaceuticals, Inc. stated, "We are pleased to team up with CSPN to further broaden our market access strategy which combines various Pharmacy Benefit Managers (PBM's), like CVS Caremark and Express Scripts, large payers like Humana and United Healthcare along with additional networks of specialty pharmacies, such as CSPN. By leveraging CSPN's distribution network, we are able to offer added patient and provider support services, through our full-service HUB, the MuGard Patient Reimbursement and Support Center (MuGard PRSC).

Nick Calla, Vice President of Industry Relations, stated "This program has put us in a great position to gain a large number of referrals for this product. We are only one of two specialty pharmacy entities in the referral program for Access at this time."

CSPN in partnership with Access Pharmaceuticals have been successful in getting recognition for our community based model and the value it can provide through our high touch model of patient care. In partnership with the full-service HUB, the MuGard Patient Reimbursement and Support Center (MuGard PRSC), these patients will have many avenues of support available to them.

Please join us for an informative conference call/webinar to learn more about this program and product.

REGISTRATION IS REQUIRED FOR THIS MEETING

Meeting information

Topic: Mugard Program

Date: Thursday, October 13, 2011

Time: 1:00 pm, Eastern Daylight Time (New York, GMT-04:00)

To register for this meeting

1. Go to <https://cspn.webex.com/cspn/j.php?ED=162068927&RG=1&UID=1217324277&RT=MiMxMQ%3D%3D>
2. Register for the meeting.

Once the host approves your request, you will receive a confirmation email with instructions for joining the meeting.

Note: If you already registered for this meeting, you do not need to register again.

The success of this program is directly attributable to the dedication of the CSPN Member Pharmacies that participate. Remember our success is dependent on the collective efforts of all our members. Thank you again for your cooperation and we look forward to the opportunity of sending these patients and discounts to you.
