CSPN Names Guaranteed Returns for Pharmaceutical Reverse Distributor

For 25 years, Guaranteed Returns® clients and partners realize reduced costs in managing product, data, and financial flows across the complex Pharmaceutical Reverse Distribution process. Their experienced staff and national leadership continue improving industry standards through participation and compliance within trade related associations, and government regulatory agencies. Total dedication to process improvements, relationship building, and program innovation has enabled Guaranteed Returns® to grow into the one of the largest Pharmaceutical Reverse distributors in the world.”

Since its inception, Guaranteed Returns® philosophy has been to strive for excellence, innovation, and quality while providing the best possible Pharmaceutical Returns Management Programs to our customers. Guaranteed Returns® has built priceless relationships with our trade partners over several decades. Through these professional partnerships, Guaranteed Returns® clients and partners realize reduced costs in managing product, data, and financial flows across the complex Pharmaceutical Reverse Distribution process.

These goals align directly with CSPN's mission to deliver a comprehensive care model that will have a positive impact on our patient's lives. CSPN services are built on local trusted relationships with our patients, physicians, and healthcare providers. CSPN offers a unique cost-savings alternative for managed care organizations and payors.

As the preferred vendor for CSPN's network, Guaranteed Returns is providing CSPN's Network Stores with industry leading reverse distribution solutions.
